Welcome to Stone Mill Bread & Flour Company!

What we eat really does matter! We specialize in full-flavored, soft-crustured breads in the American Hearth style, made from stone-ground whole wheat flours freshly milled each day in our store, plus high quality unbleached and unbromated white flours. We also make incredible crusty breads in the European tradition. Our cookies, muffins, cinnamon rolls, and scones are made fresh daily using no mixes, ever. We hope you'll enjoy all of our good-to-the-last-bite foods.
